

## **DUBUQUE'S KWIK CARE PROGRAM FEATURES DURIDE IN MARCH PARTNERSHIP**

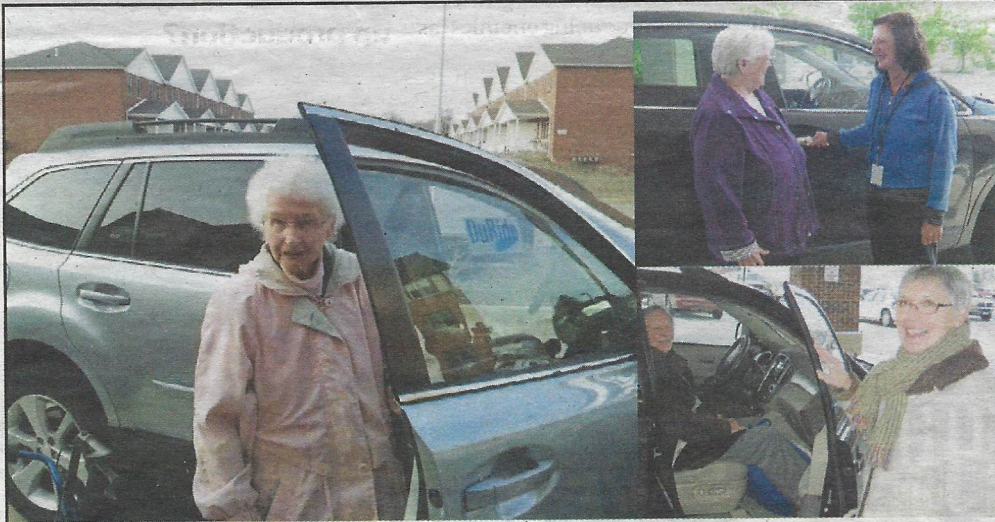

Dubuque, IA – For the month of March, Kwik Stop, Dairy Queen, and Fazoli's are partnering with DuRide with the mission of raising awareness and money for the organization. This is the duo's second time working together.

The Kwik Care philosophy began in 2002 with the simple idea of providing joy to 10 local families who needed assistance during that Christmas season. Through this mission Kwik Care has developed into a program that provides funding for many organizations within the local Dubuque communities, donating over \$1.9 million dollars since its inception.

"We are excited to partner with DuRide and share the work they do for seniors in the Dubuque community." Tessa Fahey, Director of Operations, Rainbo Oil Company said. "We are happy to help educate others of this organization and their mission by advertising and placing information in our Kwik Care canisters at all Kwik Stop, Dairy Queen, and Fazoli's locations throughout March. Whether its loose change or our round-up button, a little change can help make a change."

Following an application process, 12 local, non-profit organizations are selected to be a Kwik Care partner for one month. During an organization's designated month 100% of the money collected from Kwik Care canisters is donated to that organization. Kwik Care canisters are located at all Kwik Stop, Dairy Queen, and Fazoli's cash registers.
