

Be A VOLUNTEER Be A Lifeline...

Volunteer to give the gift of mobility and independence to seniors who cannot drive themselves.

DuRide is a reliable and economical way for seniors to maintain their independence, and stay connected with family, friends, and the community.

DuRide offers rides, seven days a week, 365 days a year. No special insurance or license is required. Most rides are one way. Just drop them off and be on your way. A different volunteer will pick them up when they're done.

Just a few rides a month makes a difference.

“It’s fun, it’s rewarding, and it makes a big difference for the members. They tell you!”

“This is my way of paying it forward.”

“I love the flexible schedule. I only drive when I want to.”

Make a Difference!

Volunteers drive their own cars to provide door-to-door rides for members.

It's just like giving a ride to a friend, because that's exactly what it is.

DuRide serves nearly 300 members and provides over 800 rides every month.

Here is what our members are saying:

“Your drivers are all so nice. They are like new friends now.”

“I don’t know how I would get around without DuRide.”

“Transportation is no problem since I joined DuRide. Thanks!”

“DuRide gave me my freedom back when I had to stop driving. The staff and drivers are some of the nicest people you will ever meet.”

DuRide VOLUNTEERS

Why is becoming a DuRide volunteer so important?

Without transportation, many seniors withdraw from their communities, family, and friends.

DuRide is a unique, non-profit system that provides safe, dignified, and flexible transportation. DuRide keeps seniors healthier, more active, and engaged with their communities.

Volunteer on your terms.

Volunteer only when you have time. There are no minimum commitments or assigned rides. The typical volunteer provides six to ten rides a month — some more, some less — as your schedule allows.

Volunteers have provided tens of thousands of rides!

Volunteering is simple.

You will receive daily emails showing the requested rides. If you see something that fits your schedule, let us know.

- You need a current driver's license, proof of insurance, and must pass a background check.
- You use your own vehicle.
- You'll receive a yearly statement that shows your rides and number of miles you drove.

You can help make the "Golden Years" as golden as they can be.
